

14th Annual WSGA Net Partners Tournament No. 7

Wild Rock GC, Wisconsin Dells – Aug. 28

ELIGIBILITY

Entries are open to all amateur golfers (male and female) who are at least 21 years of age as of the tournament date, and are affiliated with a WSGA member club. Contestants must be 2008 WSGA associate members which includes having a 2008 WSGA/USGA handicap index. The competition will be comprised of partners (two players) who need not belong to the same club. A team may consist of two men, a man and a woman, or two women. The maximum handicap index allowed any contestant will be 36.4 for men and 40.4 for women. Handicaps exceeding the maximum shall be reduced to the maximum allowed. The date of the most current handicap index to be used for the tournament will be established by the Tournament Committee.

FORMAT

Competition will be 18 holes of partners net stroke play. The winning team will be determined by adding each player's 18-hole net score plus the 18-hole net bestball score of the team. All handicap indexes will be adjusted according to the slope rating of the course. Men will use the regular tees and women will use the forward tees. Women will receive extra strokes dependent on the course set-up, not to exceed two strokes, plus or minus the difference between the respective course ratings. Playoffs required to determine the champion will take place immediately on a hole-by-hole basis, combining the individual net scores, with strokes being given in accordance with the scorecard allocation. All other ties will be determined by a computer selected scorecard playoff method. Approximately seven teams from each of the eight Net Partners events will qualify for the Net Partners Championship (Sept. 12). Players on teams that qualify for the championship must have a minimum of five scores played and posted by Sept. 4 in order to be eligible.
